Political Slander.

(Continued from first page.)

This, I understand you have done, and after a thorough examination the cause was dismissed by you for the reason that there was not sufficient evidence upon which to hold respondents for trial. As far as I am concerned I am willing to stand upon my opinion formed from an examination of the affidavits. I never have written an article in defense of my own official action and do not care to do so now. If you are unduly criticised for your action, I am willing to state the facts either for publication or otherwise. You are at liberty to show this letter to Mr. Lorraine or any other person. If Mr. Lorraine cares to have a statement from me and it is one which I could make without prejudice to my official position, I am willing to make such statement. I remain, Yours truly,

Fred W. Mayne.

Upon receipt of the above letter from Judge Mayne, I at once called upon Mr. Lorraine, showing him the letter and requested that he publish it, or extracts of it, and thereby correct the erroneous impression as far as possible which he had created in public mind concerning the action of the justice sheriff and prosecutor. This, he refused to do.

Knowing the contents of Judge Mayne's letter to me and the arrest of Chaudier and Mulhead was made in the best of good faith and in the hope that the guilty perpetrators of this heinous crime might be apprehended. Mr. Lorraine has again attacked me through the columns of his paper and once more accused me with corrupt motives in the case and with being willing to accept a bribe and then closing his libelous article with the statement that "the costs of the suit are estimated at \$1000.00."

Mr. Lorraine asks why the witnesses were not punished when they did not swear to the same things on the stand as in giving their information upon which the warrants were issued. Had he consulted with any lawyer in the County he would immediately have been advised that to hold these witnesses on a charge of perjury, that false swearing must occur in a judicial proceeding and that inasmuch as the false swearing was in the affidavits the parties could not be held on a charge of perjury.

The next vicious act of the editor of the Enterprise is to distribute his falsehood and misrepresentations to the voting population of the County, believing that by deceit and calumny he would effect my re-election to the office of prosecuting attorney.

I brand the accusations made against me by Mr. Lorraine relative to the Mulhead arson case as willful, false and malicious, and charge him with publishing the article at a time when he believed the venom of his pen dipped into the ink of deception and bad faith would prove most fatal to my re-election.

I also brand as a falsehood the statement of Mr. Lorraine that the expenses of this Mulhead case were nearly \$1000.00 as they were actually less than \$200.00.

I also brand as willfully false and malicious the statement of Mr. Lorraine that the prosecution if paid \$2500, would dismiss the case against the defendant, as at no time was any such proposition made, directly or indirectly, nor was there any intimation of the kind.

Yours respectfully,
A. E. NICHOLAS.

Who They Are.

The Primary Reform Ticket is composed of the following:

Mr. Mears, candidate for Judge of Probate, a disappointed Republican who feels that being defeated in his own party he possesses the capacity to defeat that party at the polls.

Richard Beach, candidate for sheriff, a consistent democrat who has always supported the democratic nominee be he Cleveland, Bryan or Parker and always ready to do anything within his power to defeat any republican be he friend or foe.

John Bugbee, candidate for county clerk, another disappointed republican who was a candidate in the last Republican convention, and because being defeated is willing to lend his aid to the democrats in an attempt to defeat the republicans.

William J. Lewis, candidate for county treasurer, another democrat who is the only one we have seen wearing a "Parker" button, and who says he would vote the democratic ticket if he knew it meant instant death, and by the way "Bill" knows something about politics also. To the older residents we but simply refer to his work in days gone by. Anyhow he is willing to work night and day any time to defeat the republican party.

Louis J. Isaman, candidate for register of deeds, is an honest, conscientious boy and we believe means no harm to anyone, but is a victim of the conspiracy and only the bitter teacher, experience, will enlighten him.

Henry Jersey, candidate for prosecuting attorney, claims to be a democrat and signed the call for the Boyne City convention as such. Mr. Jersey's legal experience is very limited and ability unknown.

Fred E. Boosinger, candidate for circuit court commissioner, says he is not in sympathy with the ticket and would rather he had not been selected for the place, and asked that his name be kept off the ticket.

Fruit at the Breakfast Table!

Nature Provides Its Own Remedies Which, If Used Judiciously, Insure Perfect Health at All Times.

Aside from the pleasure of eating seasonal fruits beginning the first meal of the day, this custom has undoubtedly arisen from the well known fact that nearly all fruit and more particularly plums and PRUNES contain natural laxative principles which act directly on the stomach and bowels.

Constipation, that dread and troublesome complaint which is undoubtedly the basic cause of nine-tenths of the dyspepsia, indigestion, biliousness, etc., so prevalent among our people today, and which if neglected, surely leads to more complicated and serious organic diseases, can surely be prevented, and when not too far advanced, can be absolutely cured by the judicious use of the modern laxative and cathartic California Prune Wafers.

They are not a patent medicine in the ordinary sense of the word, being compounded from fresh California Prunes, which every intelligent person knows is truly nature's laxative.

A dainty little wafer, always the same, compounded in a highly concentrated form from fresh California Prunes.

nes, they are a natural dissolvent acting on the contents of the stomach and bowels and not on the organs themselves.

They regulate the Liver and Stomach, Cleanse the System and Purify the Blood. Cure all Bowel Troubles, Biliousness, Bad Breath, Bad Blood, Wind on the Stomach, Bloating Bowels, Foul Mouth, Headache, Indigestion, Pimples and Dizziness.

Every household should have its family package of California Prune Wafers, and at the first signs of approaching illness or when under the weather, take a couple of wafers, and the doctor's bills will soon be much smaller than they are now.

You can eat what you please if you follow each meal with a California Prune Wafer, which quickly dissolves the most indigestible food, and helps to carry it through and out of the system in a gentle and healthful manner, without the slightest pain, griping or nausea. 100 Wafers for 25c. Irving Drug Co., Sole Proprietors, Philadelphia, Pa.
